Horse Soldier® Bourbon is a uniquely complex bourbon expression, aged in new American Oak. Days after 9/11, the USA responded with a daring insertion of small teams of Green Berets mounted on horseback. These brave acts earned them the moniker, the Horse Soldiers.

The same men were featured in the movie 12 Strong, the documentary Legion of Brothers and honored by the America's Response Monument at Ground Zero. Horse Soldier® bottles are pressed in molds made from steel from the World Trade Centers.
